big Washington trees

Martinez, July 17, 1897

My dear Mr. Lukas,

I am going north soon
into the woods with Prof. Sargent
& I write now to ask you to
send me particular directions how
to find those 400 or 500 feet trees
you told me about on Puget Sound.
We mean to visit & measure them.

Also send specimen cones or leaves
or both of that Patton Hemlock you
saw in the San Gabriel Mountains,
& of the great oaks.

With love to Lottie

I am very truly Yours
John Muir
